If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 8.01 Other Events.

On July 16, 2019, a panel of the United States Fifth Circuit Court of Appeals rendered its opinion in the previously disclosed lawsuit *Apache Deepwater, L.L.C. vs. W&T Offshore, Inc.*. The opinion affirmed the previously disclosed trial court judgment against W&T Offshore, Inc. (the “Company”). Company management believes this case has been wrongly decided and intends to continue to pursue vigorously all available legal recourse. As previously disclosed, in 2017 in connection with the appeal, the Company deposited \$49.5 million in the registry of the court and accrued such amount as a liability. Accordingly, the Company does not believe that any adverse outcome from this appeal would materially impact its available liquidity, financial position or results of operations.
